### **RETURNS:**

Your satisfaction is very important to us. All the firearms on this website are NEW IN BOX (or manufacturer's supplied case) UNLESS OTHERWISE SPECIFIED. We inspect the firearms before shipping and pack them carefully. Returns are ONLY accepted for merchandise found defective immediately upon receipt (five business days after your FFL receives the firearm). If the firearm is found defective we will provide your choice of a replacement item (pending availability) or full refund and we will pay the return shipping cost on all firearms found defective upon receipt. YOU SHOULD CONTACT US AND RECEIVE A RETURN AUTHORIZATION NUMBER AND RETURN INSTRUCTIONS BEFORE ANY RETURN. Please inspect your firearm thoroughly BEFORE proceeding with the transfer paperwork with your FFL. Once a new firearm is transferred to you it is considered used, even if unfired. Consequently, we cannot provide a full refund for new firearms once they have been transferred into your possession. We do not reimburse FFL transfer fees on returned items. Some manufacturing defects may not be identifiable upon initial inspection. However, upon discovering a defect AFTER the transfer, the firearm MUST be returned directly to the manufacturer for replacement or repair (in accordance with manufacturer's warranty policy).

ALL APPROVED RETURNS MUST SHIP TO:

**RESTRICTIONS / TRANSFER PROCEDURE:**

We will transfer ownership of any firearm ONLY to individuals or agencies in possession of a valid Federal Firearms License (FFL). This means we cannot ship directly to you (unless you have an FFL). At your request we will transfer your purchased firearm to a licensed gun dealer in your state.

1. It is your responsibility to ensure that a firearm is legal to own in your state and county, but we will advise you during your purchase process. We are approved and familiar with the process to ship firearms to California.
2. It is your responsibility to complete all required paperwork when you pick up your purchase from your local dealer. You are responsible of the firearm return shipping cost if you fail to pass the ownership requirements of ATF or your state.
3. It is your responsibility to contact the FFL dealer in your end. He normally will charge you a transaction fee at the time you pick up your purchase.
4. You are responsible for having your FFL forwarding a copy of their FFL license and all pertinent contact information to The Scopesmith LLC. Our contact information is as follows:
